To expand our team, we are looking for a

QUALITY MANAGEMENT - SPECIALIST (M/F) – LIMITED CONTRACT FOR 2 YEARS

KEY RESPONSIBILITIES:

As a quality management specialist, your main mission will focus on assisting the daily operation of our Quality Management System. This includes tracking, trending and resolving significant incidents and quality concerns.

Your responsibilities:

- Animation of performance improvement activities for operational processes
- Realization or support of internal audits, network partner audits and third-party audits
- Monitor and support of audit finding closures
- Creation, update and validation of quality documents related to quality and operational processes
- Management of the yearly audit program
- Participation on international group projects

WHAT YOUR FUTURE COLLEAGUE SAYS:

The main attributes which probably best describe my team, is the friendly atmosphere combined with well-organized daily work and a problem solving focus. We are all part of the support - divided in different operational business parts inside the organization - with a strong continuous improvement spirit which is appreciated by our internal customers. If you have further questions, contact me via LinkedIn [linkedin.com/in/wrobelmichael](https://www.linkedin.com/in/wrobelmichael).

WHAT WE OFFER:

Being part of an international organization, the Front Office based in Hamburg offers you a creative and still growing work environment with a highly multi-cultural background.

You will develop your skills in a professional enterprise where creativity, efficiency and responsibilities are our main motivation. This will include challenging tasks for your best personal and professional self-development. We will also provide internal and external organizational related training to support your professional career.

To complete your attractive salary package, we offer additional benefits such as fruits & vegetables, coffee and water – all this in a very well equipped spacy kitchen. We pay a contribution to your transport cost. For your social life, we help you with your retirement, partial disability and capital formation. We do something good for your health with company bikes, movable desks and, if you desire so, inhouse massages.

However, above all, we like keep our team spirit and to celebrate your and our teams success.

WHAT WE ARE LOOKING FOR

- First experience in quality management systems and business processes, preferable in aviation industry
- First experience in auditing would be beneficial
- Ability to adapt and balance different tasks and workload-level
- Good communication & organizational skills, required
- Fluent in German and English language, French language skills are beneficial

Are you interested? Send us today your curriculum vitae informing us about your earliest possible start date and your salary requirements. Start your future with us today!

We are looking forward to welcome you / we are looking forward to receive your application. In case of any question, please do not hesitate to contact us.
